Curriculum vitae

Yuriy Yashchuk

Year of birth:	1982	
Residence:	Kyiv, Ukraine	
E-mail:	yashitweb@gmail.com	
Mob. & Viber:	+38 (093) 0861819	
Telegram:	@YashITWeb	
LinkedIn profile:	https://www.linkedin.com/in/yuriy-yashchuk-it	
GitHub profile:	https://github.com/YuriyYash	
Portfolio:	https://yuriy-yashchuk.vercel.app https://yuriyyash.github.io/Portfolio	
Computer and information technologies education:	O. M. Beketov Kharkiv National University of Urban Economy, speciality: Automation, computer-integrated technologies and robotics ITEA-School, FrontEnd Development under the IT-Generation program (I have honors certificates JavaScript Professional and FrontEnd Professional)	
Legal and economic education:	Kyiv National Taras Shevchenko University, law faculty, speciality - jurisprudence, specialization - commercial law and process, education level - master of law	
	Institute of International Relations of Kyiv National Taras Shevchenko University, speciality - international economic relations, specialization - international finance	
	Institute of International Relations of Kyiv National Taras Shevchenko University, speciality - international business, specialization - international business management	
Practical experience:	October 2022 – Present Independent layout of websites on free projects in Figma in order to gain experience and skills gained during education.	

	September 2022 – March 2023 Implementation of practical tasks as part of education at ITEA under the IT-Generation program.	
	March 2022 – August 2022 Performing practical tasks as part of an independent study of FrontEnd Development using video courses on the Internet.	
	Until March 2022 Commercial and IT lawyer, private attorneys practice	
Programming Programming	HTML5, CSS3, JavaScript, TypeScript, Bootstrap, Webpack, Git, GitHub, Figma,	
languages,	Photopea, Sublime Text, Emmet, Visual Studio, Visual Studio Code, Koala,	
frameworks and	PerfectPixel, Sass, Scss, SQL Server Management Studio (SSMS), Tools for	
resources:	programming PLC and automated equipment (Ladder Diagram, PLC Simulator Online, OWEN Logic, Verilog, VHDL, EDA playground, DCON Utility), Stream programming tools (Node-RED based on Node.js)	
_		
Languages:	Ukrainian – Native, English – Advanced, French – Advanced, russian – Fluent	
Other:	Driving license (category "B"), driving experience
